MISSION

Riverside County Department of Mental Health exists to provide effective, efficient, and culturally sensitive community-based services to severely mentally disabled adults and older adults, children at risk of mental disability, substance abusers, and individuals on conservatorship that enable them to achieve and maintain their optimal level of healthy personal and social functioning.

Mt. SAN JACINTO

Children's Services

The Mt. San Jacinto Clinic provides mental health services to children.

- The Mt. San Jacinto Clinic provides a parent partnership approach to intake assessments, crisis response and crisis resolution, medications management, case management, substance abuse services and individual, group, and family therapy.
- Our target population is the severely mentally ill and emotionally disabled.
