## CBT for PTSD

**Day 1: October 15, 2024, 8:30am - 3:30pm**

**&**

**Day 2: October 16, 2024, 8:30am - 3:30pm**

**\*\*Must attend both dates for credit\*\***

**Instructor Information:** Kehau Kuala-Gilbert is a Licensed Clinical Social Worker in California and Hawaii, currently employed as a Behavioral Health Services Supervisor with Riverside University Health System-Behavioral Health (RUHS-BH), Substance Abuse Prevention and Treatment Program since 2018. Kehau has also served as a Clinical Therapist II with RUHS in January 2017, offering therapeutic support to individuals and families struggling with addiction and behavioral health challenges. Kehau is a facilitator and trainer for various evidenced-based practices like Coping with Stress: CBT for Teens, ASAM Multidimensional trainings, and has been certified as a trainer for the Trauma Informed System (TIS) Initiative through the Trauma Transformed Center since 2019. Lastly she was trained in the CBT for PTSD model by Hazelden Betty Ford Foundation in 2018.

Dr. Carina Bedolla earned a Doctorate of Social Work Program at California Baptist University in August 2022. Having obtained her education at California Baptist University, Carina holds a bachelor's degree in Psychology and a master's degree in Counseling Psychology. As a Licensed Marriage and Family Therapist and Licensed Professional Clinical Counselor, Carina has over five years of clinical experience in the public sector. While she has had the honor and privilege to support individuals in overcoming these challenges, the experiences have served as catalysts for her area of research. In her doctoral studies, her area of focus was mental health stigma in emerging clinicians. Lastly she was trained in the CBT for PTSD model by Hazelden Betty Ford Foundation in 2018.

**Audience:** LMFT's, LCSW's, LPCC's, and LEP's; associate and support staff.  
Level of training: Introductory - new topic for audience

**Seat #:** 36

**Location:** Conference Center 2085 Rustin Ave Riverside 92507

If you need a reasonable accommodation/alternative format for this training event, please contact the Rustin Conference Center at (951) 955-7270 at least fourteen days (14) prior to the course date.

### **Educational Goals:**

1. Participants will be able to describe the prevalence of trauma and PTSD
2. Participants will be able to understand the development of CBT and the practical implementation.

3. Learn and practice a wide range of cognitive and behavioral strategies, including psychoeducation, cognitive restructuring, exposure, response prevention, behavior modification, problem solving, and others

### Learning Objectives:

1. Identify at least three (3) CBT core principles.
2. Identify three (3) therapeutic alliance strategies.
3. Describe the ABCDEs of flexible thinking
4. List the three (3) symptom clusters of PTSD
5. Utilize case vignettes in application of CBT strategies
6. Practice cognitive and behavioral strategies using a combination of lectures, discussions, role-plays, videos and demonstrations.
7. Identify at least two (2) intervention strategies in the relapse prevention plan.
